## **Class Grading Policies**

### **In Class**

**Each student's final grade is an average of the grades in the following four categories:**

**1) Presence in rehearsals and classroom activities.**

Each absence represents missed work which cannot be made up. Two tardies equal one absence. Absences lower the student's grade.

**2) Rehearsal manner.** Rehearsal manner is graded on a list of attributes that includes but is not limited to the following:

- Participation
- Having and using sheet music in class.
- Talking only at appropriate times.
- Putting away music at the end of class.

**3) Musical contribution.**

Daily classroom musical leadership and music testing.

**4) Written assignments, examinations and management of other paperwork such as permission slips and contracts.**

**All students are expected to exhibit common sense and common courtesy.**

- Students must communicate ahead of time with Mr. Teeters about any personal issues or illness that would affect seat assignment or rehearsal manner.
- All students are expected to sing daily. Any student unable to sing must speak to Mr. Teeters before class. Students unable to sing for more than two days must present a note from a parent/guardian or doctor to Mr. Teeters.

### **Outside of Class**

- Set a positive example to peers, community, and the public as leaders and representatives of VHS.
- **Sing in major concerts and their dress rehearsals, tours, festivals, and other required events** (see attached 2012-2013 Student Calendar). All performances and dress rehearsals are required unless previously excused for an important purpose two weeks in advance of the event (except in emergency situations). Students must be on time to dress rehearsals and performances. Anyone who misses a scheduled dress rehearsal prior to a required concert may be asked not to perform in that concert, depending on the situation.
- **A final grade of F may be given to any student who fails to perform in concerts and/or required appearances without an approved excuse.**
